Introduction to EE/CE Programs, and Overview of Courses
(Rotunda, Low Library)

9:30  Sign in & Breakfast
10:15 Welcome and Introduction to the department (Department Chair: Prof. Peter Kinget)
10:30 Introduction to the EE program (Prof. Zoran Kostic)
10:45 Introductions to the CE program (Prof. Charles Zukowski, Chair of the CE Program)
11:00 Overview of courses in Micro Devices and Physical Principles (Prof. Jamie Teherani)
11:15 Overview of courses in Signal & Information Processing (Prof. John Wright)
11:30 Break
11:45 Overview of courses in Integrated Circuits and Systems (Prof. Mingoo Seok)
12:00 Career Services Overview (Ms. Kelly Ahn and Ms. Raina Ranaghan)
12:15 Overview of courses in Networking & Communications (Prof. Gil Zussman)
12:30 Overview of courses in Systems Biology and Neuroengineering (Prof. Predrag Jelenkovic)
12:45-1:45 Student Pane/ Lunch / Departmental Group picture

2:00 - 2:45 Overview of courses in Computer Engineering (Prof. Charles Zukowski) **for CE students only (CEPSR 415)**
2:15 - 3:00 Introduction to the Ph.D. program (Prof. Gil Zussman) **for Ph.D. students only (EE Conference Room, 1300 Mudd)**
3:00 – 4:00 Discussion of GRA/TA administrative aspects (Prof. Charles Zukowski) **for Ph.D. students only (EE Conference Room, 1300 Mudd)**
2:00 - 4:00 Open Labs for all students (NORTHWEST and CEPSR).
2:00 - 5:00 Advising for all MS students (Mudd, CEPSR, NORTHWEST, and CSB).

**Open Labs**
