

GRADUATE STUDENTS ORIENTATION 2019

ELECTRICAL ENGINEERING & COMPUTER ENGINEERING

PROGRAM OF EVENTS

Thursday, August 29, 2019

Introduction to EE/CE Programs, and Overview of Courses (Rotunda, Low Library)

- 09:20 Sign in & breakfast
- 09:50 Welcome and introduction to the department (Department Chair: Prof. Peter Kinget)
- 10:00 Introduction to the MS programs (Prof. Zoran Kostic)
- 10:25 CE welcome (Prof. Martha Kim, Chair of the CE Program)
- 10:30 Overview of courses in Systems Biology and Neuroengineering (Prof. Dion Khodagholy)
- 10:42 Overview of courses in Nanoscale Structures and Integrated Devices (Prof. Jamie Teherani)
- 10:54 Overview of courses in Signal, Information and Data (Prof. John Wright)
- 11:06 Break
- 11:20 EE career services (Ms. Raina Ranaghan)
- 11:32 Overview of courses in Integrated Circuits and Systems (Prof. Mingoo Seok)
- 11:44 Overview of courses in Networking & Communications (Prof. Ethan Katz-Bassett)
- 11:56 Overview of courses in Smart Electric Energy (Prof. Matthias Preindl)
- 12:08 Meet the EE staff
- 12:15-1:40 Student clubs and panel /Lunch / Departmental Group picture
- 2:00 - 4:00 Open labs for all students (CEPSR, Mudd, and NWC)
- 2:00 - 5:00 Advising for MS students* (CEPSR, Mudd, NWC, and CSB)
- 2:00 - 3:15 Introduction to the CE program and courses (Prof. Martha Kim) **for CE students only**
(CEPSR 415)
- 2:15 - 3:00 Introduction to the Ph.D. program (Prof. Gil Zussman) **for MS-PhD and Ph.D. students only**
(EE Conference Room, 1300 Mudd)
- 3:00 – 3:45 Discussion of GRA/TA administrative aspects (Ms. Wendy Villa and Ms. Elsa Sanchez) **for Ph.D. students only** (EE Conference Room, 1300 Mudd)

Open Labs

Lab	Professor	Lab Location
Lightwave Research Lab	Bergman	CEPSR 8LW1/8LW2
CLUE (Columbia Laboratory for Unconventional Electronics)	Kymissis	CEPSR 10LE3
Bionet Lab	Lazar	CEPSR 8LE5
Translational NeuroElectronics Laboratory	Khodagholy	Mudd 1227
CISL (Columbia Integrated Systems Lab)	Kinget	CEPSR 422
Bioelectronics System Lab	Shepard	701 Northwest

*Advising appointments for all MS students will be advertised a few days before the orientation.
