UNIVERSITY RELATIONS

HOW DO WE PLAN TO REACH THAT GOAL?

- Tech Talks/Career Events
- Social events: mixed (undergrad + grad) and separately
- Workshops
- Mentorship programs

+ based on member
feedback!

TECH TALKS/ CAREER EVENTS

- Tech Talks from companies like Micron, ChipDev, Keysight, Splunk, Intel, etc.
- Higher education advice from professor panels.
- Hoping to put together a mini career fair to jumpstart industry access for students.

- Liquid nitrogen ice cream
- Food&Friends-centered study breaks
- With other unis: Stanford, NJIT, UCB, UCLA, NYU, Cooper Union + more!
- IEEE Remote Gamenights
- Movie screenings

SOCIAL EVENTS

- Round tables with professors
- Under/Upperclassmen Mentorship Program (Fall and Spring)
- Industry Talks

MENTORSHIP

GOALS

2022-23

- *Greater graduate student inclusion*
- *Increased activity with relevant events to work towards our mission*

WE WANT YOU IN OUR COMMUNITIEEE!

- MAILING LIST
- SLACK
- EVENTS TEAM
- SUGGESTIONS
